

Minuteman Junior Trap

"The Clay Crushers"

Hello,

My name is Paul Pescatore. I am the coach of Minuteman Clay Crushers, the junior trap team which has recently started shooting here at Minuteman Sportsman's Club. I am reaching out to you to help make a major impact on our junior, shooting community this coming year.

We are a volunteer run organization that holds practice and attends meets from April through December. The Clay Crushers have been shooting together as a team for the past three years and have grown from 5 shooters to 16 shooters and are on track to have 20 participants in Spring 2022. Currently we have almost a 50:50 ratio of boys to girls aged from 13 – 18.

We emphasize safe gun handling, the many aspects of trap shooting, environmental awareness, teamwork and building leadership skills. All shooters are members of ATA, SCTP and AIM.

This past year had shooters participate in the R.I., ME, MA and NH State shoots where they posted some very good scores.

Sponsorships and donations help us budget for many of our expenses throughout the year, including:

- Purchasing equipment and uniforms
- Practice rounds and ammunition
- Helping to keep shooting affordable for families and providing opportunities for more youths
- Funding matching donations to our Midway Foundation Account to access for grants

There are a several benefits of purchasing a sponsorship or making a donation to our organization:

- Recognition in all of our social media and communications
- Company name and logo on our banners which are displayed at all of our shoots.
- Logo and website link recognition on www.claycrushers.org
- The good feeling of knowing that you are helping our junior shooters

You can visit our website www.claycrushers.org to learn more about our sponsorship packages. If you are willing to support us, please contact me so that I may forward a sponsorship form for you to complete with your business information and sponsorships amounts.

Please don't hesitate to contact me directly if you have any questions or if I can help with anything.

We appreciate your support!!

Paul Pescatore
